## Locating the Feature Key/SD Card Number

### Telquest Tech Support

The screenshot displays the Avaya IP Office R8.1 Manager interface. On the left, the 'IP Offices' tree shows 'IPOffice\_1' selected, with 'System (1)' highlighted by a red box and a yellow callout labeled '1. Click Here...'. The main pane shows the 'System' tab for 'IPOffice\_1', with the 'System' tab itself highlighted by a red box and a yellow callout labeled '2. Click Here...'. The 'Dongle Serial Number' field is highlighted by a red box, and a yellow callout labeled 'This is the Feature Key/SD Card Number' points to it. The serial number is 1356854873.
