Avaya IP Office
How to install the Release 8.1 IP Office Suite
# Telquest Tech Support

The IP Office Suite of programs (Manager included) are not easily obtained on the web.

Insert the **Avaya 8.1 DVD 1 of 2** into your computer. **Note: It is a DVD not a CD.**

You may see a screen like this:

If you do, then --->>> **Click on Admin CD**

Page 2

You will the see this screen in a web browser:

I have made the page shorter to save space.

Index of file:///D:/AdminCD/

⬆ Up to higher level directory

Name	Size	Last Modified	
0x0407.ini	25 KB	5/20/2009	4:22:30 PM
0x0409.ini	21 KB	5/21/2009	2:53:56 PM
0x040a.ini	24 KB	5/20/2009	3:30:02 PM
0x040c.ini	25 KB	5/20/2009	4:27:04 PM
0x0410.ini	24 KB	5/20/2009	4:06:48 PM
0x0413.ini	24 KB	5/20/2009	4:07:52 PM
0x0416.ini	23 KB	5/20/2009	4:09:50 PM
fw_on.bat	1 KB	6/25/2012	2:52:52 PM
isnetfx.exe	350 KB	6/10/2009	1:32:04 PM
mdmnal.inf	6 KB	6/25/2012	3:04:32 PM
program files		7/20/2012	12:04:40 PM
setup.exe	1025 KB	6/25/2012	5:09:26 PM
snmp_mibs		7/20/2012	12:04:40 PM

You can then "Save File" and then run it from its Saved location.

Opening setup.exe ✕

You have chosen to open

📄 **setup.exe**

which is a: Binary File (1.0 MB)
from: D:\AdminCD

Would you like to save this file?

Save File   Cancel
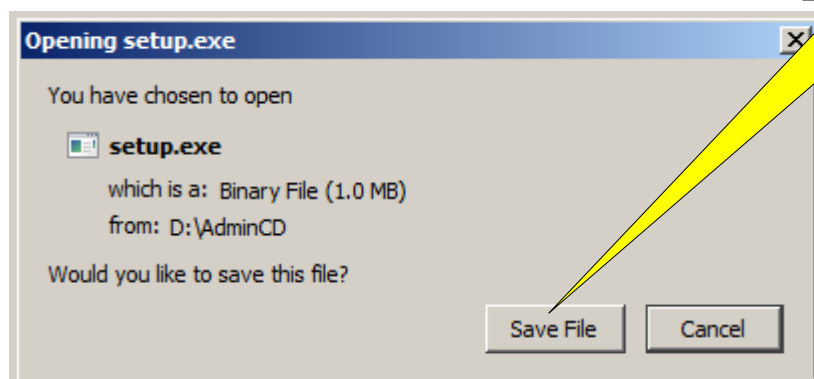

If you don't get the above screens, then do this:

When the DVD loads up. It will present a screen similar to this: (I am using Windows 7)
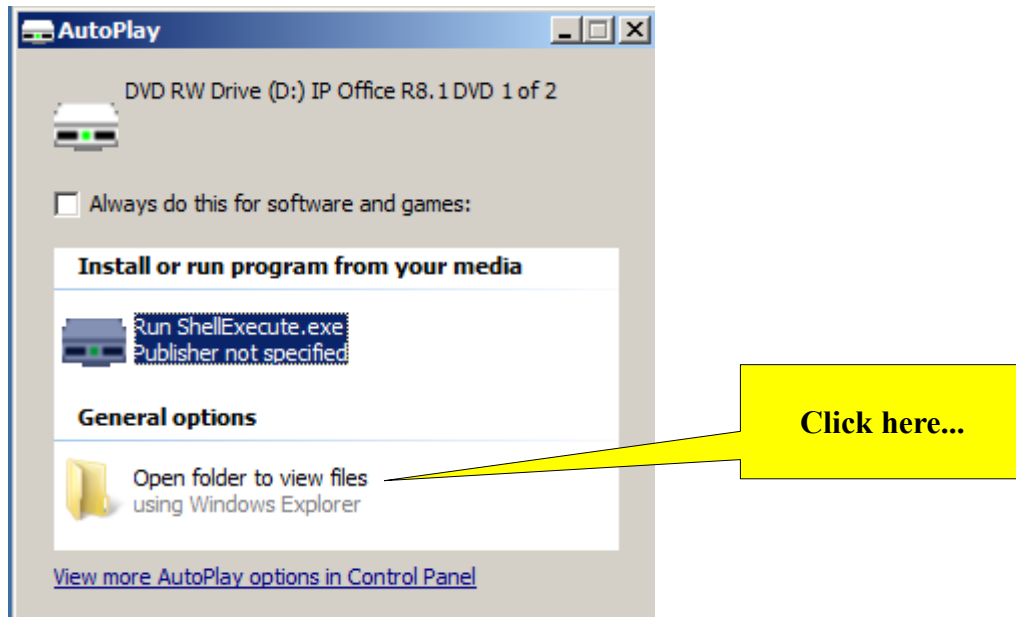

After you click above as shown, you can follow the instructions on Page 2.

If you don't get either of the pages above, you can try this on your desktop:

Double Click on Computer or My Computer

Computer

You will see something similar to this:

Double Click the IP Office R8.1 DVD here
