TelQuest International
973-808-4588

Panasonic NS-700
Unregistered KSU Screen
Telquest Tech Support

This is what the main screen looks like if the KSU is not Registered.

If you see the above screen when you connect to your KSU, your system needs to have a Registration Key (file) installed.

In order for Telquest to get that Key (file), you need to provide us with the "Flash ROM ID".

Here is where to find the KSU's "Flash ROM ID"
