# Convert WAV Files to Ulaw
Telquest Tech Support

If you want to Import WAV Files into the KSU to be used for Greetings, they must be converted.

**Download Audacity Audio Editor from <u>www.audacityteam.org/download</u>, install and run it.**

Note: We do not provide any Tech Support on Audacity.

1. Click Here...
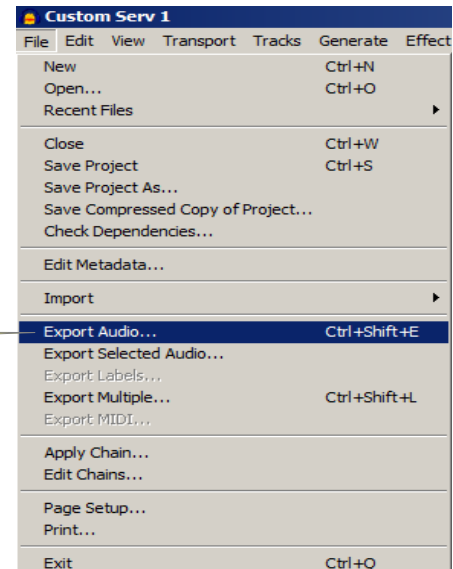

2. Click Here...

**3. Select the area where your WAV File is located...**

4. Click on the file that you want to convert...

5. Click Here...
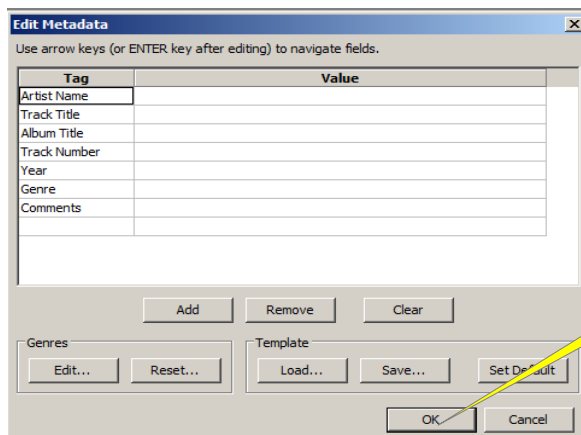

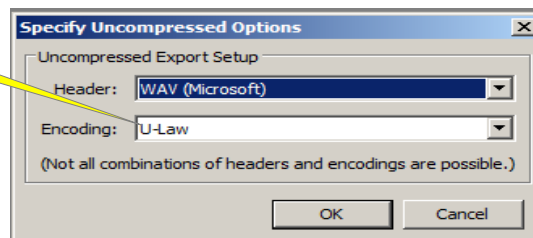

Note: This is where the converted WAV File will be saved...

Export Audio

Save in: WAV Music
