

Panasonic KX-NS700

How to Install Music on Hold WAV Files

Telquest Tech Support

You can load up 8 different Background (BGM)/Music on Hold (MOH) WAV Files.

Only one can be played at any time.

Extension 101 can select which one is used via System Program 711.

1. Click here...

2. Click here...

3. Click here...

4. Click here...

5. Click here...

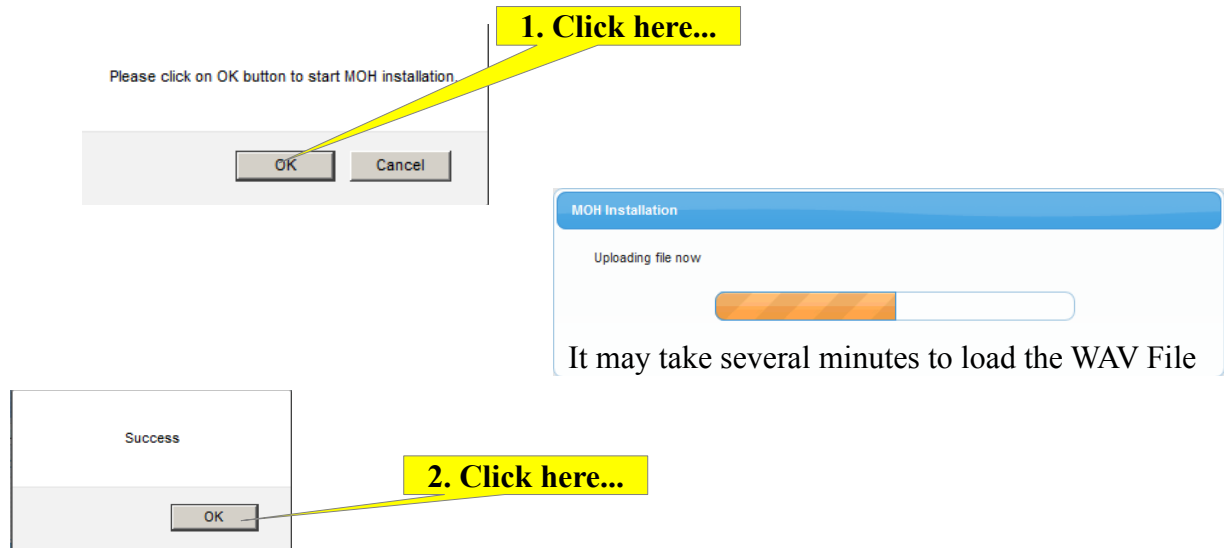

6. Select a WAV File...

7. Click here...

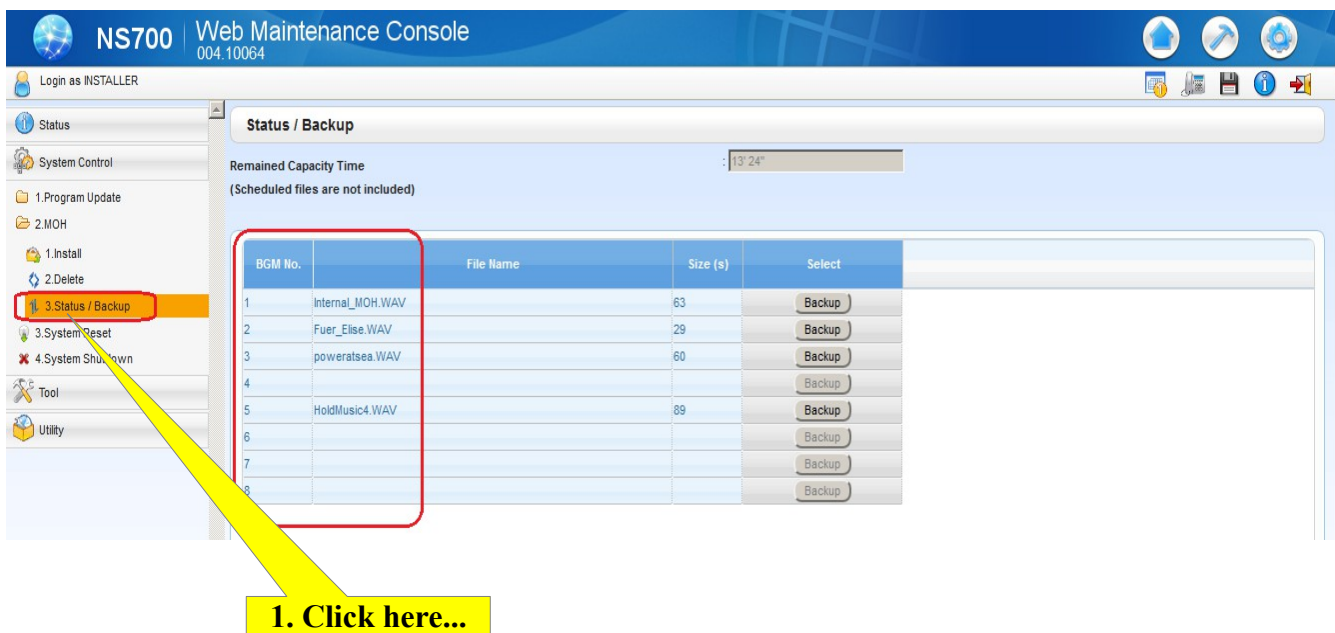

7a. It will appear here...

8. Select one...

9. Click here...

You can see what WAV Files are in the system and their BGM number.

You can test the BGM/MOH from any telephone:
Leave the handset in the cradle.
Press the Intercom button.
Dial *751 and the BGM number (1-8). Example: *7513 to listen to BGM Number 3.
You will hear a confirmation beep.
Press the Speakerphone button and you will now hear BGM/MOH music.
Dial *7510 to turn Off the BGM music on your telephone only.
