File Transfer PC to PBX

File Name :
Browse... 00413FF155530085.t

Execute   Cancel

5. It will appear here...

6. Click here...

You should see the progress bar indicate that the File Transfer is taking place.

File Transfer PC to PBX

Uploading file now

Upload successfully.

1. Click here...

OK

2. Save it...

This indicates that you are done.

Once the Save is complete log out of the KSU.

Very Important Note:
Power the KSU off for about 15 seconds and then back on.

Now, log into into the KSU.

You should not see the Flash ROM screen any longer.

The New Version Number appears here...

You will not see 004.22015
You will see the Version you installed

This indicates that the system is now Registered.
