

MP5 for Harley

(AQ-MP-5BT-H)

FOR HARLEY-DAVIDSON® MOTORCYCLES (1998-2013)

Uses existing Harley-Davidson® mounting location, screws and screw holes.

Plug & Play with existing Harley-Davidson® wiring harness.

KEY FEATURES

Bluetooth / MP3 / AUX

Stream music from your favorite device with support for Bluetooth Audio, MP3, and AUX input.

288W Amplifier

Power up to 8 speakers or a combination of speakers and subwoofers thanks to a powerful 288W amplifier. Class A/B amplifier, 2 Ohm stable.

Multi-Environment Protection

This device is fully waterproof (rated IP55) and UV/salt/fog resistant to ensure reliable performance even in the toughest conditions.

Variable Brightness

Display brightness varies from 100% in normal operation to 30% in dim lighting for optimum viewing day or night, rain or shine.

Detachable Faceplate

This model features a detachable faceplate for extra storage and easy access for device charging and protection.

USB Charging

Recharge your USB devices anytime, anywhere with 2 Amps charging speed.

Handlebar Controls

Control your music from the Harley-Davidson factory handlebar controls.

Plug and Play

Use your Harley-Davidson factory mounting bracket and wiring connections to easily plug, play, and ride.

AM/FM Radio

Enjoy AM/FM listening wherever you go and save your favorite stations with 18 FM and 12 AM presets available. Compatible with both US and European frequencies.

3" Monochrome Display

An optically bonded, tempered glass screen allows users to view track information on a 3" monochrome LCD display.

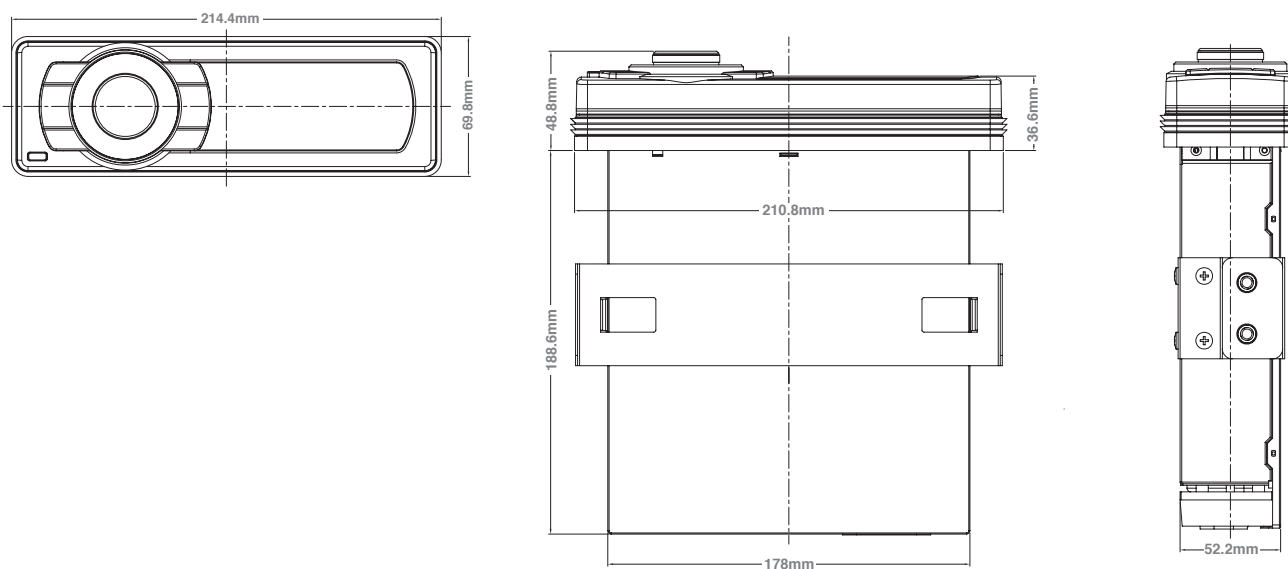

2 Year Warranty

This product comes with a two year warranty that can be extended with online product registration or by downloading the Aquatic AV App.
